
Errata

Methodist DeBakey Cardiovasc J. 2019;15(2):122-132. Erratum submitted by editors.

Correction: Pulmonary Valve Replacement for Tetralogy of Fallot, we would like to submit a correction to Figure 9. Panels A and B were switched due to editing error.

The legend should read "Lateral view of selective coronary injection (A) after and (B) before balloon inflation in right ventricular outflow tract demonstrating coronary compression (arrow).
